The work of the 'varsity eight was not up to the standard of the past few days, the men seeming to be tired, all of which was probably due to the ex-cessive hent of the past few days. The second 'varsity four, which races with the Harvard second four tomorrow, practiced racing starts, spending the rest of their time padding around quarters.

Red Top, June 25.—On account of the heat the Harvard crews were given only light practice both this morning and afternoon. This morning the crews went down to the mile flag, accompanied by Coach Wray in a single shell. Individual coaching was given the members of each crew, and on the return to the float the crews were lined up and given a few racing starts. In three trials the 'varsity eight gained three-quarters of a length over the freshmen. In the last, start the 'varsity stroke went up to forty.

Tonight all the crews were sent down to the navy yard in very short stretches, the two eights rowing a 36 and the fours a 32 and 34 stroke. On the return the first and second 'varsity fours had two brushes. At the end of Red Top, June 25 .- On account of the

CAT WHIPPED GOPHER SNAKE Roptile Was the Aggressor and Paid for its Temerity with

Its Life.

Now comes an account of a fight that took place near Laton between a large gopher snake and a house cat. This contest was witnessed by Dr. C. W. Hardman, who says that the spectacle was worth going a long way to see. The feline was the victor, but the snake did not succumb until after he had fought for an hour. The snake started the trouble by

striking at pussy while the latter was out searching for stray mice. No sooner had the cat recovered from his surprise after being slapped than he returned the compliment. Of back but fell short. Then Tabby ran in and scored again. By this time the gopher snake was pretty angry. until the reptile bled to death from its numerous wounds .- Fresno Herald
